

Minutes placed in public domain June 2019

Confidential Minutes Document – 16/05/19

In Camera Agenda Item - Land Ownership Issue

Please treat this information in extreme confidence. This must not be discussed or shared outside of the Council until it is in the public domain.

The Council was informed of the progress since the last update on 18 April 2019

The situation was as follows:

- The transaction had reached a critical stage and would hopefully be progressing swiftly, there were no hold up's at this point
- The solicitor was awaiting land searches and then would be drawing up the transfer

The Chairman confirmed that the purchase of the car park could enable a crossing point to access South Gardens.

The Chairman again stressed the confidential nature of this issue, and confirmed that all minutes would be available once the item is in the public domain.

The following proposal was agreed:

To note the report
