

Come along to the Annual Parish Meeting on Thursday 5 May 2022 at 7.00pm in Harting Community Hall

Please come along and join us. It is hoped this will be a sociable and informative evening!

The Annual Parish Meeting (APM) is an open meeting for all parishioners and an opportunity to come along to find out more about the work of your Parish Council in the last year and to put forward your views and suggestions.

The meeting will be run as a new format, providing an opportunity to find out more about your community. Parish clubs and societies will be on hand to provide information about their activities and to allow you to sign up to their exciting programmes.

The APM will feature:

- Visit from the local Police Community Support Officer who will be speaking and answering any questions.
- Details of the proposed Community Highways Scheme to address traffic issues and speeding in the village of South Harting. Come and find out more and sign up to show your support.
- Details from Harting CAN (Climate Action Network).

Tea, coffee and biscuits will be served.

For further details check the Parish Council website
