

Harting Parish has been invited by the South Downs National Park Authority (SDNPA) to come together as a community and prepare a statement about what is important to us.

How can we ensure Harting Parish continues to thrive and support a healthy and happy community for the next 15 years?

Our statement will form part of the SDNPA's review of their Local Plan and will be an opportunity for those who live and work in, or visit Harting Parish, to express their views.

Change is inevitable but this is an opportunity to say what matters to you and to create a shared vision for our Parish.
