

## Harting Village Report for Parish AGM 2024

We are still able to retain the bargain price of £5 for our monthly 2 course lunch followed by tea or coffee, which is pretty remarkable: but is made possible by having a successful raffle. We have a steady amount of customers in the 30s each month.

We have just produced a new recipe book, the last one being printed in 2014. We have kept some popular recipes and introduced new ones. We have a lovely photo of South Street and the Parish Church on the front cover.

We have 3 teams and Susan McDonald has just retired as a team leader and Joyce Whatley has taken over her team. We are very grateful to both of them. We have managed to recruit some new members to our teams replacing those who have retired but continue to look for more helpers. Once every 3 months is not onerous.

Vivien de Beer

Chairman of the Village Lunch
